

Klinks-National Square-off For First Round Major League Title

Klink's Market and the National Supply Company tangled tonight at Torrance High, for the possession of the first round Major Division championship of the City League at 7 p. m.

Following the title tilt the National Home Appliance cagers will meet Reed's Kitchen in a practice game.

Since the Nationals defeated the Marketmen 37-17 on Jan. 10 they are favored to capture tonight's tussle. However, Klinks has developed into a much better ball club and have been undefeated since that time.

Whether or not Fran Munsterman of the National team can hit the bucket for a large number of points will be a deciding factor. The big forward tallied 47 points in his first three court encounters but has dropped off to a total of 12 in the last two games. Fran's teammate, Dude Olson, has a 12 point average per game and will be hard to stop.

Klinks is a hot and cold team with an inconsistent record. The underdogs have had a lull in the past few years and have been able to win a play-off contest.

Their ace forward, Tookie Lee, connected for eight out of 12 attempts and added a free throw as Klinks downed Fenwicks by a close 45-34 score Monday evening. The team clicked as a unit completing 20 out of 48 field goals against their opponents. The Marketmen raced to an 8-1 lead early in the opening period. Fenwicks pulled up to within three points of their opponents before the half ended at 21-18.

After intermission the winners gunned the throttle and were out in front 35-28 as the third quarter ended. Fenwicks closed the gap to within five points within the next few minutes but were behind 45-40 with one minute remaining. Jack Turner made a miraculous field goal followed by Dale Eppler's two-pointer which brought the Shoemen to within a one point margin as the final gun sounded.

Turner played an outstanding game for the losers. The former Torrance High star not only was a dangerous threat on offense but controlled the backboards on defensive play. Turner, Dan Moon, and Dale Eppler led the losers with 11 counters apiece.

After National Supply took a 15-3 advantage in the first quarter, the Torrance Merchants fought a brilliant uphill battle to even the count at 28 all with three minutes remaining in the contest. National fought back at this point and won easily at 35-31.

Dude Olson paced the victors with 15 markers while

Abe Bullington was high man for the losers. Bullington connected on only three of 26 field goal attempts.

The cellar championship was decided in the final game of the evening as Goodyear won their first encounter by a 23-16 score over Columbia Steel. Bill Ludiker topped the Goodyear scoring with eight counters while Joe Ban headed the losers with five. Goodyear took a 6-4 advantage in the initial ten minutes and was never threatened in the low-scoring affair.

Tartars Trample P.V. College in 73-31 Victory

Torrance High's improving basketball quint roared to a smashing 73-31 win over a hapless Palos Verdes College outfit Tuesday afternoon.

Bob Chambers sizzled the hoop for 27 points as the locals trounced their opponents. The deadeye forward accounted for 15 digits in the opening quarter. He left the contest in the third period.

Paul Smith and Bob LeBlanc added 16 and 12 tallies as the Tartars rolled up one of the highest totals in the school's history. After taking a 38-11 halftime lead, Coach Cliff Graybehl cleaned the bench and let the subs go to work.

BATTER'S EYE VIEW—That's Narbonne's Paul "Lefty" Pettit in action. (Art Willey Photo.)

NHS MOUND STAR MAKES 'EM LOOK EASY-WHOOSH

By popular acclaim the greatest southpaw pitching arm in the scholastic history of this locale belongs to a tall, modest Narbonne senior who is "air-conditioning" his smoke ball to baffle Marine league batters for the third consecutive season.

The fast-rising diamond star is 17-year-old Paul "Lefty" Pettit, whom his coach, Wayne Sloss, is prone to compare with right-handed Erv Palica, Lomita star who performed on the mound for the Brooklyn Dodgers last season.

"Paul is right up there with Erv as the two best baseball prospects I have ever coached," says Sloss, who is starting his fifteenth season with the Green and Gold.

Narbonne Mentor Walt Kuhns, who took Pettit under his wing as a Bee, goes even farther: "Lefty" is the best high school pitcher I've ever coached," says Kuhns, without qualification.

And the record books go pritty far to back up the claims for Pitchin' Paul, whose name is reputedly down in capital letters among more than one major league scout's future reference memorandum.

His high school and semi-pro career is marked by 52 wins and 12 losses. He was chosen All-Los Angeles City last year in his junior year. He hurled a no-hitter but lost in last season's Dorsey tournament. He allowed five hits in three games of all-city play. Fifty percent of the batters who faced him went down via the strike-out route. He ran up 16 straight victories last year playing for Hermosa in a semi-pro winter league.

"Paul's got the easiest, looziest throw you've ever seen. He looks like he's pitching them soft. That is, unless you're standing there trying to hit 'em as they steam by," says Kuhns with gestures.

Described as "a serious hard-working student of baseball," the Gaucho whiz is a Harbor Hills playground product and still lives at Apt. 348 there.

His specialty is a screaming fast ball which often catches hitters with their bats still on their shoulders. Pettit's philosophy is: get the ball by 'em in the shortest possible time.

"Lefty" denies that he ever pitches to a batter to make him hit into the infield for an easy out.

"I try to strike 'em out," says "Lefty," who plans to average around 12 strikeouts per game and usually gets 'em.

Although he likes to rip 'em through, if the time is ripe "Lefty" can put on a swift change of pace and offer up a tantalizing curve ball.

Easy hitters give him the most trouble. "I go for strikeouts, and they're the hardest to trick," he says.

After a long layoff, the Green and Gold pride intends to take it easy getting into shape. (Although he was All-Marine last season in basketball, he didn't perform on the hardwoods in league competition this season.)

Six feet, one inch tall, "Lefty" tips the scales at 180 pounds, precisely five more than last season. "But I'm in a lousy shape," he says.

Greatest satisfaction in his diamond career so far, says soft-spoken Paul, came in last year's Dorsey tournament against Washington High. The score stood Narbonne 3, Washington 1 in the final inning with two down and the bases loaded. At bat was All-City Star Dale Coogan, one of the most feared sluggers in the city, and the count was one ball and two strikes.

Tall and serene on the mound to external appearances, Paul says, "That was the toughest I've ever been."

Cole Tops Minor Division First Round with 78

Coach Eddie Cole banged the bucket for 78 points in five contests to take high-point honors in the first round of the City League Minor division. The small forward played outstandingly well, averaging over 15 tallies a game for the Ragsdale Rascals.

Bob Clark of the Reeds five followed Cole with 70 digits while Tony Prodan and Bob Foreman tied for show honors with 48 markers.

The Rascals topped the team scoring with 235 markers.
